Always Our Best

Term 4 Week 8

28th November 2014

Principal's Message

Dear Parents / Caregivers,

I hope everyone has had the opportunity to read our flyers regarding the **school musical 'Tribe'** for 2014. Our children and staff have eagerly been preparing a great show for everyone to enjoy. Bookings are necessary as we will not be able to sell tickets on the day or night performances. I encourage you to come along and hope you find it as pleasing as we do.

At this time of year the **office staff** are **extremely busy** with reports, presentation day and all end of year processes. I know they would **appreciate your help at this very busy time**. You can help them by doing three easy things. If children can arrive on time each day that will save about 45 minutes of their time each morning. We would appreciate lunch coming with the children because delivering lunches takes easily another 20 minutes. Finally, messages for children at the end of the day phoned in before 2:30pm makes ensuring they are delivered on time a lot easier. Thank you for helping in these 3 easy matters.

I would also like to make sure you have all read the advice regarding **presentation day** this year. If you have not we are holding this years presentation day on **Monday 8th December**. I do hope as many parents as possible can attend.

Have a lovely week, I hope to see many of you over the last few weeks.

Maths at home

Kids' early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play.
