Always Our Best

Term 4 Week 6

13h November 2015

Principal's Message

Dear Parents / Caregivers,

Congratulations to our **Stage 3 students** that have had a fantastic week away at the **Narrabeen Sport and Recreation camp**. It is always a great time to strengthen relationships and have a final re-energise to get through to the end of year. By all accounts fun was had by all and the camp was a great success. Well done Stage 3.

Today was **Grandparents Day** and we had a lovely turn up for the day. As part of the celebrations children from across the school performed a range of items including the highly successful Kelso's Got Talent students. **Thank you** to all the Grandparents who came along for the morning, I know both students and staff greatly appreciated you being here.

Over the last couple of weeks I have had some morning phone calls regarding our students **safety crossing roads**. Children should always cross at the marked crossing, including our **traffic lights**. When crossing further along the road complete road safety must be used. **'STOP, LOOK, LISTEN AND LOOK AGAIN'** each and every time children cross the road. Children under 10 years of age should really be accompanied by a responsible adult as their skills in road safety are still developing. Additionally, no children under 10 years should be riding bikes to school and all children who do ride must wear a helmet and follow the road rules. If children do not know the road rules they should not be riding. Please help keep our children safe.

3/4C Class News

3/4C have been learning about the First Fleet.

The State Library visited and brought us many exciting items, including Captain James Cook's shoe buckle!

We've experienced life on a convict ship (which made us feel queasy) and learned about how people lived in colonial times, including learning a traditional folk song and a bushdance.

The circles on the painting represent the different communities and/or schools within the Bathurst region and the line connecting the circles represent those communities/schools coming together. The fete bought in children from a number of schools so seeing those children coming together represent the connection between each school in Bathurst.
