## Always Our Best

Term 4 Week 7

20th November

### Principal's Message

Dear Parents / Caregivers,

I am very pleased to announce that we have this week worked with Kai Ming Consulting in preparation of an official Kelso Public School **Facebook** page. A team of staff are working on the project and our aim is to have all the necessary background completed before the end of term so the page may be launched. This is very exciting as it will be a fabulous way to showcase our great school and provide quick communication to families.

In preparation for the launch of our Facebook page some children will be sent home permission slips for the **permission to publish**. This must be signed before we can use children's pictures. If you want to have your child included in any published event this must be signed.

Please help us include your child. Should you need to say No that's fine but we must know.

At this time of year when we are all tired and hot we observe children finding it difficult to make the best choices. Please help us maintain a positive end of year by reinforcing the **High Fives** and talk to us about any issues. Your help is appreciated.
