## Always Our Best

Term 4 Week 8

27th November 2015

### Principal's Message

Dear Parents / Caregivers,

It might be the end of the year but we have had a really busy and exciting time.

Our **mini fete** today was a raging success and everyone had a fantastic time. Well done senior children and staff who made it all work. Thanks also to the **Cosgrove family** for a petting zoo. Fantastic! A big thank you to the **McKee family** for the Slushy machine, the **Bosma family** for the Jumping Castle and **Lara Macleod** and her Grandmother, **Mrs Neary**, for the young looking life like portrait of Mr Cooper.

If you haven't seen it already we have launched our amazing new **Facebook page**. Please look up Kelso Public School and our official page is the one with the school logo. The page will be used to celebrate all the amazing things we do here at Kelso Public School and so I encourage you to log in and LIKE us as we share fabulous stories. This will NOT be replacing our newsletter, in fact, it will have a link back to our newsletter. Please also take the time to carefully read our acceptable user code as all users are expected to know and follow these guidelines. This is a celebration site and we wish to keep it this way.

Congratulations to **Jack Doolan** and **Jayden Thornbury** on their **A.E.C.G. awards** presented at Kelso High School yesterday. I was again thrilled to see our amazing dancers as they seamlessly danced side by side with Bathurst West and South. The new outfits and official shirts look very deadly! Great work!

## Miracles do happen.....a feel good story from 5/6S

Logan Dufty of 5/6 S lost his beloved 'Possum' a Rainbow Lorikeet back in October this year. He was upset and sad that his beautiful bird had flown away. It flew out of the cage one day and away into the distant sky. Three weeks later a Rainbow Lorikeet flies down from one of the tall Eucalypts in the playground and lands on one of the students back. Kane Wiggins who is mates with Logan saw this happen and said 'Logan isn't that your bird?'

Logan went sprinting over and called out hopefully.....'Possum?' And guess what?the bird flew over to him jumped on his chest and started kissing him. It was his Possum ,the same bird who had been missing for three weeks, the same bird that somehow managed to find him at school, in the playground amongst all the other students.....True love! Proof that miracles can happen.

Limericks we have been learning how to write them. Here is a sample

There was an old man from Dubai  
Who accidentally swallowed a fly  
He fell off his bike,  
Whilst on a mountain hike  
And now he is a secret spy.  
Jordan G

There was an old man from Young  
Who liked to bite his tongue  
He bit it right through  
Until it went blue  
And now he is losing a lung.  
Will E.

There was an old lady from Sigh  
She used to like eating pie  
One day she pigged out  
And gave herself gout  
And now she just wants to cry.  
Tatiana B.

There was a man named Jeff  
He wanted to be a famous chef  
He followed his dreams  
And now he makes creams  
All because of his Aunt Beth.
