Always Our Best

Term 4 Week 9

4th December 2015

Principal's Message

Dear Parents / Caregivers,

What a day on Wednesday with so many **Rabbitoh's** players here. We had an amazing visit with the South's team not only promoting footy but more importantly good oral health care. The children were checked, met the players and took home some great momento's. I was extremely impressed with the players who took the time to meet with an elderly local who's health is poor, the players absolutely made his day. Great day!

Presentation Day is Monday and we are keen to spend the morning celebrating the wonderful achievements of the Kelso students. All parents are very welcome and parents of children receiving awards should have by now received a personal invite. This is a special day and we would love to have a big crowd.

Congratulations to all of the children who were awarded their **Diamond Level** at today's special assembly. This is fantastic recognition of all the hard work over the past year. Everyone who received an award has excelled to the highest level and should be very proud of the award. All of our school has done remarkably well this year and you should all hold your heads very high.

We are just applying the finishing touches to reports and these will **go home on Friday**. The reports will reflect the children's learning over the last two terms and detail both their progress and effort. Should you wish to discuss any aspect of the reports please phone the office to arrange an appointment.
