Always Our Best

Term 4 Week 7

25th November 2016

Principal's Message

Dear Parents / Caregivers,

The new Kinders for 2017 are a fantastic little group of young people who once again assure us Kelso Kids are Great Kids. **Anyone who has missed transition need not worry it's not too late.** We have one more week to go with a session next Friday. It has been a real pleasure meeting everyone and their families and we are well placed for a flying start in Term 1 next year.

Presentation Day is coming up on Monday 12th December 2016 and all parents are both warmly invited and welcome to come along to help celebrate the wonderful students and staff making so many great things happen. We do have some fantastic items to enjoy as well as the presentation of student success. Parents of students receiving awards will be notified to help prevent you missing out on being part of the day. We will also announce the school leaders for 2017.

Despite coming to the end of the year I would like to remind everyone how important it is to still attend school everyday and to be on time. We are still teaching and will do so right to the end of year. Mixed into this we will of course have class parties and reward days for PBL.

I look forward to seeing many families over the next 3 weeks.

Lance Cooper
Principal

2O and 2D Excursion

Last Friday 2O and 2D went on an excursion to PCYC, The Adventure Park and Ten Pin Bowling. The excursion complemented our Science Unit 'Push-Pull'.

At PCYC we played games, participated in some gymnastics and practiced moving in different ways using different body parts.

When we went to the Adventure Park we played on all of the exciting equipment. We did lots of pushing, pulling, twisting, turning, spinning, sliding, bouncing, swinging and climbing.

Our last activity was Ten Pin Bowling. We started off a little shaky but by the end of our game we had improved immensely. Tahlia was our 'Champion Bowler' with a score of 118 points.

We had a great day and experienced many 'push and pull' activities.

Thank you to Mrs Oates, Mrs Herbert, Ms Elise, Mr Stapleton and Mrs Daymond for sharing our excursion with us. 2O and 2D

AFTER SCHOOL CARE for children with a Disability

Vivability offer support to children aged 5-18 years with a Disability in the form of afterschool care. We currently have some places available on our afterschool peer support program. We pick the students up from school and provide afternoon tea. We also provide a drop home service if required.

We are currently working with schools to support children with homework and areas they may need development, such as reading, writing and much more. Our aim is give the children a social outlet, develop skills while providing a few hours respite to the families.
