## AFTER SCHOOL CARE for children with a Disability

Vivability offer support to children aged 5-18 years with a Disability in the form of afterschool care. We currently have some places available on our afterschool peer support program. We pick the students up from school and provide afternoon tea. We also provide a drop home service if required.

We are currently working with schools to support children with homework and areas they may need development, such as reading, writing and much more. Our aim is give the children a social outlet, develop skills while providing a few hours respite to the families.
