Always Our Best  
'Powering the present to fast track the future'

Term 1 Week 4

21st February, 2020.

## PRINCIPAL'S MESSAGE

Dear Parents/Carers,

Our swimming carnival yesterday was a huge success with students proudly displaying our High 5's throughout the day. Many students pushed their boundaries in various swimming races and team spirit was well and truly alive. Thank you to all volunteers and staff, particularly Mrs Daymond for coordinating an extremely positive event. We look forward to hearing the results of our swimmers competing at the District Carnival today.

The safety of your child is extremely important. If your child requires a health care plan please provide the school with a current health care plan that has been issued by a doctor or other medical professional. Health Care Plans must be updated and signed by a treating doctor every 12 months. The following conditions require a plan; asthma, severe allergic reactions (including anaphylaxis) diabetes, epilepsy and heart conditions. Please provide these to the front office.

If your child is going to have a change of routine in the way he/she goes home in the afternoon please notify the front office by 2:30pm to ensure your child can be notified in time.

Visitors and volunteers to our school are reminded that they must sign in when arriving at the school and sign out when leaving. We greatly appreciate your cooperation.

Kind Regards,

Melanie Woolmer.

Relieving Principal.

All Appointments  
Please Check-in  
at Reception Desk

### Don't Forget

No Hat                      Play in the shade

School Banking              **Tuesday's**

Students return for Term 2

# Stay 'n' Play

Starting Wednesday

4<sup>th</sup> March, 2020

**What is it:** An opportunity for you to connect with specialist staff and outside agencies to build connections and develop positive, quality relationships and successful transition for your child in to school.

**When is it on:** Wednesday 12:15 - 1:15 pm. School terms from weeks 2 to week 9 inclusive.

**Where:** Kelso Public School, EI room.

**More Details:** Contact Mel Woolmer or Deb Green at Kelso Public School 6331 1577

## SPEECH PATHOLOGY AT KELSO PUBLIC SCHOOL

A speech pathologist from Bathurst Community Health Centre will attend Kelso Public School weekly on Tuesdays in 2020. Speech pathologists help children with their talking and listening skills including:

- Using the correct sounds in words (speech)
- Understanding instructions and answering questions (receptive language)
- Using complete sentences and telling stories (expressive language)

We encourage families of children starting Kindergarten this year to talk to Mrs Woolmer if you would like your child to see the speech pathologist at school in 2020.

Referrals are due back Friday 28th February for Semester 1 intake.
