PRINCIPAL'S MESSAGE

Dear Parents/Carers,

Happy Birthday Hercules! As many of you may be aware yesterday was Hercules birthday and he has turned the ripe old age of 2! Why is this newsworthy? Well I'm glad you asked. Since joining our staffing team Hercules has been a major asset in supporting children in a wide range of circumstances from all aspects of our school. Just like the great work our human staff do, he too is working hard to ensure our school continues to grow and flourish! And what a great story on Prime TV!!!

Covid-19 remains a hot topic for families and I understand that in some cases is causing significant concern. I just want to remind everyone that as a school the students are always at the center of all we do. As such, measured safe and practical protocols are in place as previously described. Our school remains open, fully operational and committed to our vision of Excellence in Teaching, Learning and Leading. If you have any specific questions please contact me at school.

As you can see by our newsletter many events are currently cancelled. These measures are in line with state and federal requirements and protocols on consistency. Beyond these cancellations we are business as usual and here for the children of Kelso.

We have just 3 weeks to go until the Easter break and I urge you all to continue with regular attendance, staying home only if sick, as we would do under any circumstances.

Have a great couple of weeks, we still have a lot to learn.

Regards,

Lance Cooper
Principal.
